Dear Dr. Cleckley:

Since the School of Social Work is part of the Knoxville campus, I am asking Chancellor Jack Reese to respond to the recommendation of the Student Chapter of the National Association of Black Social Workers that tuition waivers be provided for ten Black students, beginning in September, 1977.

After the Chancellor has had an opportunity to consider the request with members of his staff, I am sure he will be in touch with you.

Meanwhile, we appreciate your transmitting the request to us and your interest in helping us to attract qualified Black students in our professional programs.

Sincerely yours,

Edward J. Boling
President
